Dear Mr. Basom,

This Wednesday will be our last day together. All of us will miss you. You are funny and a good teacher for drama. You are an actor, One of the best. You can make good illusions. Good motion in acting, Like I said you are the best! We will miss you a lot Mr. Basom.

I wish we had you next year. You gave all of us a skill that maybe new to us, or not. You gave me the skill that I never knew I could get. The courage to stand in front of another class. Wow you are like a hero!

Mr. Basom thank you so much for all your help. You made school time fun. I wish you did not need to go. You are the best actor and the best drama teacher. You are my hero! "THANK YOU"

Sincerely,
Mikhail
